**Quotes on Satan**

He [Satan] should be taken seriously, for malice and cunning make him fearsome; yet not so seriously as to provoke abject terror of him, for he is a beaten enemy. – J.I. Packer

Satan works on the assumption that every person has a price. Often, unfortunately, he is right. Many people are willing to surrender themselves and their principles to whatever god will bring them the greatest short-term profit. – Randy Alcorn

Satan promises the best, but pays with the worst; he promises honor, and pays with disgrace; he promises pleasure, and pays with pain; he promises profit, and pays with loss; he promises life, and pays with death. But God pays as He promises; all His payments are made in pure gold. – Thomas Brooks

*Do not underestimate your enemy. He is smart enough to make you think God and others are the enemy. He is everything God is not and all people and things he touches turns to fool's gold.*
